

MIAF 2009 Volunteer Form

Dear Show Participants:

Volunteers make things happen! It's just that simple. With the 2009 MIAF show just around the corner we need your help to "make things happen" and make the show a success. It takes many volunteers from start to finish to keep the show running smoothly all weekend.

Please consider filling one or two of the volunteer positions listed below. If you're worried about when you will be available during the show, don't be. Times can be adjusted after we get the show schedule. Family members, significant others, and friends often show their support by volunteering as well. They may be attending the show with you and volunteering lets them actively share in the event.

Please join in and check off the volunteer position(s) that interest you. For those of you who are hesitant to volunteer because you don't know what the jobs require, we will be happy to walk you through the details of the position. If you have any questions, please feel free to contact me at anytime.

Don't miss this great opportunity to learn and network with other breeders. Thank you in advance for your participation.
